RE: Docket No. 2009-12-S

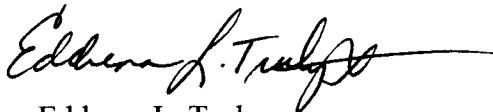

Dear Sir or Madam:

I am writing to request a public hearing in Spartanburg County (my county of residence) regarding Aqua South Carolina, Inc. attempt to usurp extra monies from residents in the Brookside Village Subdivision in Spartanburg County, South Carolina.

From the Public Service Commission's Filing and Hearing Notice, Aqua's request is a **108.45% increase** for monthly sewage removal (from \$20.50 to \$42.73). **We are all in a recession.** Where are the residents going to get the money from to pay more than double what we currently pay? This is an extreme atrocity to ask of citizens during these harsh economic times.

Please send me information for the Spartanburg Hearing date and time, as well as a copy of the Commission's Procedures for presenting testimony and evidence at the Hearing to the above mailing address.

Sincerely,

Eddrena L. Truly
